

DETENTORI

LOCKSHIELDS

Detentore a squadra attacco ferro
Angle lockshield valve for steel pipe

Art. 210 Nichelato *Nickeled*

3/8"	1/2"	3/4"	1"
------	------	------	----

Detentore a squadra per Tubo rame, multistrato e plastica
Angle lockshield valve for copper, multilayer and plastic pipe

Art. 215 Nichelato *Nickeled*

3/8"	1/2"		
------	------	--	--

Detentore diritto attacco ferro
Straight lockshield valve for steel pipe

Art. 230 Nichelato *Nickeled*

3/8"	1/2"	3/4"	1"
------	------	------	----

Detentore diritto per Tubo rame, multistrato e plastica
Straight lockshield valve for copper, multilayer and plastic pipe

Art. 235 Nichelato *Nickeled*

3/8"	1/2"		
------	------	--	--

Detentore a squadra "tipo Export" attacco ferro
Angle lockshield valve "Export" for steel pipe

Art. 250 Nichelato *Nickeled*

3/8"	1/2"	3/4"	
------	------	------	--

Detentore a squadra "Export" per Tubo rame, multistrato e plastica
Angle lockshield valve "Export" for copper, multilayer and plastic pipe

Art. 255 Nichelato *Nickeled*

3/8"	1/2"		
------	------	--	--

Detentore diritto "tipo Export" attacco ferro
Straight lockshield valve "Export" for steel pipe

Art. 270 Nichelato *Nickeled*

	1/2"	3/4"	
--	------	------	--

Detentore diritto "Export" per Tubo rame, multistrato e plastica
Straight lockshield valve "Export" for copper, multilayer and plastic pipe

Art. 275 Nichelato *Nickeled*

	1/2"		
--	------	--	--

Detentore a squadra a saldare
Angle lockshield valve with soldering connection

Art. 285 Nichelato *Nickeled*

3/8" Ø12	1/2" Ø15
